Notes to invoice above

1. Within [three weeks](#) from receipt of engagement fees and signed documents, Healy Consultants Group will complete the incorporation of a Netherlands tax resident company for our Client. Before submitting a quality complete company incorporation application to the [Netherlands Government](#), our Staff and Client will detail-discuss the important business set up considerations, detailed on [this webpage](#); and
2. In accordance with the [2012 Company Act](#), each local entity must maintain a Dutch legal registered office. As always, Healy Consultants Group will supply these [professional services](#); and
3. This fee is an estimate of Government costs payable during your Firm's engagement. For transparency purposes, all Government fee payments will be supported by original receipts and invoices; and
4. Without bank signatory travel, Healy Consultants Group will secure Dutch multi-currency corporate bank or EMI account numbers for our Client. From the moment a complete application is submitted to the international banks or EMI companies, it will take on average [two months](#) to secure multi-currency corporate bank or EMI account numbers. In most cases, our Staff will complete the engagement without our Client's travel to the service provider's branch. When [travel](#) is unavoidable, we refund €950 to our Client. Multi-currency corporate bank or EMI account opening is the most [challenging](#) part of the engagement. Consequently, we apply our "[guaranteed bank account](#) approval or your money back" policy.

To minimize engagement surprises and align all parties' expectations, I recommend you read [this web page](#), specially the due diligence documentation section. To maximize the probability of bank approvals, Healy Consultants will:

- ✓ prepare a business plan, including annual expected inflow and outflow of funds; and
 - ✓ contact multiple banks to secure their written confirmation, welcoming a formal multi-currency corporate bank or EMI account opening application; and
 - ✓ weekly follow up with the bankers to aggressively and skilfully secure a timely multi-currency corporate bank account approval.
5. Healy Consultants Group's fee to assist our Client with the corporate tax number and VAT registration with the [Netherlands Tax and Customs Administration](#); and
 6. Assuming the Dutch entity is active over the coming year, this is [an estimate](#) of Healy Consultants Group's fees to timely accurately and completely discharge our multi-national Clients' annual legal, accounting and tax obligations. As always, our in-house Accounting and Tax Department will do our best to legally minimize both local and international tax. Fortunately, small companies enjoy a legal exemption from independent statutory annual audits. For a dormant Dutch company, our annual fee is only [€1,200](#). Refer to [this webpage](#) to better understand the professional support your Firm will receive from our in-house Accounting and Tax Department;
