SINGAPORE SIMPLY A GREAT PLACE TO DO BUSINESS

Did you know that a Singapore company's profits earned **outside** Singapore are tax-free? Did you know that the first US\$60,000 of a Singapore company's profits earned **inside** Singapore are tax-free? Did you know Singapore's was ranked the world's second freest economy (refer to this [link](#))? Read Healy Consultants' views in our recently published news article (see the article [here](#)).

PRIME SINGAPORE OFFICE SPACE NOW FOR LEASE

Do you need executive office space in one of the most fashionable, sought-after areas of central Singapore? Healy Consultants now offers high class, fully-serviced office space for only **US\$1,100 per month**. The executive offices, which provide ample space for business meetings, feature wireless Internet and printing, telephone connection and utilities, all of which are all included in the price. [Contact us](#) for more information.

CHINA TIGHTENING UP IP PROTECTION

China appears to be taking steps to enhance protection of Intellectual Property Rights, a key issue for many of Healy Consultants' China-based clients. Singapore's Channel News Asia reports an IP awareness seminar in Singapore (see the article [here](#)), while China's state-owned *Xinhua* news agency outlines a recently signed Sino-US agreement on IPR.

INTEREST GROWS FOR CORPORATE FINANCING SERVICES

Unlike their counterparts in Europe and Australasia, project financiers in Asia do not generally seek equity in a project. Following an increasing trend this year, several more Clients approached Healy Consultants in the first quarter to assist them obtain corporate finance for their wide-ranging projects. Refer to our [website](#) for details of how Healy Consultants can assist with your corporate financing needs.

MARSHALL ISLANDS STILL A FAVOURITE

Remotely-located in the western Pacific Ocean, there's more to the Marshall Islands than just sun, sand, and snorkeling. This cluster of coral islands also happens to be one of Healy Consultants favourite offshore jurisdictions. Marshall Islands companies are quick and easy to set up and are not on under OECD pressure to disclose confidential client information. Click [here](#) for more information on Healy Consultants' Marshall Islands services.

BANKING ON MULTICURRENCY TRANSACTIONS?

The world's local bank also has probably the world's best corporate account. HSBC Hong Kong's multicurrency account is available in a basket of the world's major currencies, so you can conduct global transactions in different currencies, under one bank account number. [Contact us](#) for more information relating to banking services.
