3. In accordance with [Section 145 \(1\) of the Singapore Companies Act 1963](#) (click link), every Singapore offshore company shall have at least one director who is [ordinarily resident](#) in Singapore. Most of our Clients request Mr. Aidan Healy to be the passive, [professional resident director](#), which will increase the probability of successful visa approval and corporate bank account opening;

4. To be a legally tax exempt Singapore entity, Healy Consultants Group PLC will be pleased to open [an international corporate bank account](#) (click link) outside of Singapore without our Client travelling. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, Standard bank, ANZ bank, VTB bank, UBS, Credit Suisse;

It is a time consuming task, and Healy Consultants Group PLC will shelter our Client from the associated administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed company when shareholders, directors and bank signatories reside overseas. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client's business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one hour bank interview. Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption. If our Client must travel for corporate bank account opening, Healy Consultants Group PLC will refund our Client US\$450;

The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC' control. What is inside our control is the preparation and submission of a high-quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement; All bank charges relating to multi-currency corporate bank account opening will be borne by our Client;
