Notes to invoice above

1. Within [3 weeks](#) from receipt of engagement fees and signed documents, Healy Consultants PLC will complete Indonesian Representative [office](#) registration. Before submitting a registration application to the Indonesian [BKPM – OSS Institute](#), our Staff and Client will detail-discuss the important business set up considerations, detailed on [this webpage](#) (click link).
2. The [Indonesian Companies Act](#) stipulates each Representative office must maintain a legal registered office in Indonesia. As always, Healy Consultants Group PLC will supply this [professional service](#).
3. This fee is an estimate of Government costs payable during your Firm's engagement. For transparency purposes, all Government fee payments will be supported by original receipts and invoices.
4. The [Indonesian Companies Act](#) stipulates that each Indonesian Representative office must have at least one individual manager ordinarily resident in Indonesia. As always, Healy Consultants Group PLC will supply the professional passive nominee [resident manager](#).
5. Without bank signatory [travel](#), Healy Consultants Group PLC will secure Indonesian multi-currency corporate bank account numbers for our Client. From the moment a complete application is submitted to the banks, it will take on average [two months](#) to secure multi-currency corporate bank account numbers. In most cases, our Staff will complete the engagement without our Client's travel to the bank branch. When [travel](#) is unavoidable, we refund US\$950 to our Client. Multi-currency corporate bank account opening is the most [challenging](#) part of the engagement. Consequently, we apply our "[guaranteed bank account approval or your money back](#)" policy.

To minimize engagement surprises and align all parties' expectations, I recommend you read [this webpage](#), specially the due diligence documentation section. To maximize the probability of bank approvals, Healy Consultants PLC will:

- ✓ prepare a business plan, including annual expected inflow and outflow of funds; and
 - ✓ contact multiple banks to secure their written confirmation, welcoming a formal multi-currency corporate bank account opening application; and
 - ✓ weekly follow up with the bankers to aggressively and skilfully secure a timely multi-currency corporate bank account approval.
6. After the Representative office is fully registered, it is necessary to register it for Indonesian tax with the [Directorate General of Taxes](#);
 7. This is an estimate of Healy Consultants Group PLC's fees to timely accurately and completely discharge our multi-national Clients' active Indonesian Representative Office annual legal and accounting and tax filing obligations. For a dormant Indonesian RO, our annual fee is [US\\$1,200](#). Refer to [this webpage](#) to better understand the professional support your Firm will receive from our in-house Accounting and Tax Department.
