As always, Healy Consultants will supply these [professional services](#).
3. This fee is an estimate of Government costs payable during your Firm's engagement. The fees payable to the Philippines for registration of a branch represent [1% of the initial capital](#) of a branch. Because the Government requires branches of overseas companies to have a minimum capital of US\$200,000, the Government fee will be in most cases US\$2,000. For transparency purposes, all Government fee payments will be supported by original receipts and invoices.

Multi-currency corporate bank account opening is the most [challenging](#) part of the engagement. Consequently, we apply our "[guaranteed bank account](#) approval or your money back" policy.

To minimize engagement surprises and align all parties' expectations, I recommend you read [this webpage](#), specially the due diligence documentation section. To maximize the probability of bank approvals, Healy Consultants PLC will:

- ✓ prepare a business plan, including annual expected inflow and outflow of funds; and
 - ✓ contact multiple banks to secure their written confirmation, welcoming a formal multi-currency corporate bank account opening application; and
 - ✓ weekly follow up with the bankers to aggressively and skilfully secure a timely multi-currency corporate bank account approval.

In accordance with [Sections 14.6 and 23 of the Philippines Corporation Code](#), every Philippines branch office shall appoint at least one individual country representative resident in the Philippines.
