Iceland Limited Liability Company Invoice

Notes to invoice above

1. Healy Consultants Group PLC fees to efficiently and effectively complete Iceland company registration within [3 weeks](#) by **i)** choosing the optimum regulatory licence for our Client's business activities **ii)** reserving a company name with the [Iceland Business Registrar](#) **iii)** settling our accountant and lawyer fees and **iv)** preparing a high quality company incorporation application for the Iceland Business Registrar.

All [engagement fees](#) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term.

Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language.

2. In accordance with Iceland [Private Company Law](#), a company shall, as from the date of its incorporation, have a legal registered office in Iceland, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants Group PLC's Iceland office will be the registered office address for your company. Thereafter, this address will be used to receive government correspondence including **i)** tax letters **ii)** notice of the legal annual return and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants Group PLC's office address](#) on invoices, contracts, websites and business cards.
3. Without bank signatory travel, Healy Consultants Group PLC will be pleased to secure local corporate bank account numbers for our Client's company in Iceland. In summary, Healy Consultants Group PLC's strategy will be as follows:
 - ✓ Our team will prepare a quality business plan to attract a welcome email from our preferred bank in Iceland, inviting a formal application from our Client's entity. The business plan optimises the probability of this bank approving bank account numbers. As you can appreciate, it is difficult to obtain bank approval when shareholders, directors, and signatories reside overseas;
 - ✓ To timely complete the above, we recommend our Client to [keep the corporate structure simple](#);
 - ✓ To hedge the risk of our preferred bank not approving the release of corporate bank account numbers in a timely manner, Healy Consultants PLC will also submit a multi-currency corporate bank account opening application to at least one additional backup bank. In accordance with Healy Consultants PLC's [Guaranteed Bank Account Approval or your Money Back](#) policy, our additional fee per additional corporate bank account approved is €1,500;
 - ✓ There is a 50% probability that some banks' in-house Legal and Compliance Departments will demand the new bank signatory and non-resident director(s) travel to Iceland for a one-hour interview before the bank account is successfully opened. That said, Healy Consultants Group PLC will aggressively and skillfully negotiate with the bank for a travel exemption. If travel is required

during the engagement, our Firm will refund €950 and action [this travel policy](#). If our Client wishes to appoint Healy Consultants Group PLC nominees and the bank also requests our nominees visit the branch, there will be an additional fee payable to cover disbursements and travel costs.

Global banks [continue to tighten](#) corporate bank account opening procedures, and their internal Legal and Compliance Departments are completing more thorough [due diligence](#) of bank signatories, directors, shareholders, and UBOs. During the engagement, the bank will likely revert to Healy Consultants Group PLC and our Client to request additional KYC information, including **i)** details of existing business setup **ii)** reason for starting a new business in Iceland **iii)** proof of business globally and in-home country including evidence of contracts, invoices, and agreements with local Clients **iv)** list of suppliers and Clients in Iceland and overseas **v)** lease agreement and **vi)** evidence our Client and (if applicable) his directors and shareholders are complying with their local personal and corporate tax reporting obligations. As always, Healy Consultants Group PLC will liaise with the bank to secure exemption from these requirements. We assume our Client will timely supply this information and supporting documents, or there will be a delay.

Because global interest rates are low, international banks make little profit from current accounts. Consequently, international banks' appetites for new multi-currency corporate bank account applications is low. As a result, Iceland banks and other global banks are more likely to reject multi-currency corporate bank account applications. Because of the above, customer demand for new corporate bank accounts is very high. Therefore, international banks choose vanilla customers that tick all the boxes of a low-risk Client. For example, most banks will only welcome multi-currency corporate bank account applications from a company registered in the same country, with local staff and office premises.

When dealing with international banks, the front office bank officer is willing to help Healy Consultants Group PLC and our multi-national Clients. The realistic role of this bank officer is to collect information and ensure an accurate and complete multi-currency corporate bank account application is submitted to the bank in-house Legal and Compliance Department. Unfortunately, the bank in-house Legal and Compliance Department has the ultimate power of approval over multi-currency corporate bank account applications. This Department is extremely risk-averse and often lacks commercial reality. Furthermore, the in-house Legal and Compliance Department does not speak to customers nor to Healy Consultants Group PLC. All communications must go through the front office bank officer. Consequently, quality Clients do not get a chance to communicate directly with bank decision-makers and properly explain their business and the risks the bank perceives.

Global banks enjoy the ultimate power of approval of corporate bank account applications. Guaranteed success is, therefore, outside Healy Consultants Group PLC's control. What is within our control is the preparation and submission of a high-quality application that maximises the likelihood of approval. All banking charges, certification and translation and other third-party fees incurred during the corporate bank account opening process are to be borne by our Clients, never by the nominees. These additional fees are to be payable in advance of any disbursement.

4. This fee is an estimate of government costs payable during your firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** reserving company name with the [Commercial Register](#) **ii)** paying the bank fees for initial required share capital and **iii)** registering the company with the [Register of Limited Companies](#). Following engagement completion, Healy Consultants Group PLC will refund our Client any excess funds received over actual government costs paid.

5. In accordance with the Iceland [Value Added Tax Act](#), each entity must register for corporate tax and VAT at the [Iceland Revenue and Tax Department](#).
 6. For an active trading company, these [accounting and tax](#) fees are an estimate of Healy Consultants Group PLC fees to efficiently and effectively discharge your annual company accounting and tax obligations. Following receipt of a set of draft accounting numbers from your company, Healy Consultants Group PLC will more accurately advise accounting and tax fees. For a dormant company, Healy Consultants Group PLC fees are only €950.
- 
7. All fees quoted in this invoice correspond to fees quoted [on Healy Consultants Group PLC's website](#). Please review this invoice carefully to identify errors. During the rush of the business day, it is possible that Healy Consultants Group PLC inadvertently made fee calculation errors, typing errors or omitted services or omitted historic fee payments from Clients. In the unfortunate event you identify invoice errors, please revert to me directly re the same. I apologise in advance if I or my staff made invoice errors.
 8. Assuming our Clients re-engage Healy Consultants Group PLC in year 2, this fee is an estimate of the fees payable next year, 12 months after the date of company registration.
 9. The fees quoted in this invoice are a prediction of the fees required to efficiently and effectively complete this engagement in a timely manner. If during the engagement Healy Consultants Group PLC realises that the project is more complex than anticipated, requiring a large additional investment of time, my firm will revert to request additional fees. If Healy Consultants Group PLC completes the engagement faster and more easily than expected, Healy Consultants Group PLC is happy to refund some fees to our Client.
 10. Engage Healy Consultants Group PLC to [project manage](#) business set up in every country on the planet. We are the best in the [world](#) at what we do, timely completing [the A to Z](#) of every country engagement.
 11. In accordance with Iceland [Private Company Law](#), the minimum issued share capital of €3,500 (ISK500,000) must be deposited into the company bank account before company incorporation. To optimise engagement efficiency and minimise delays, Healy Consultants Group PLC is happy to deposit these funds on behalf of our Client.
 12. In accordance with Iceland [Private Company Law](#), each Iceland LLC must have at least one individual director and at least half of the shareholders ordinarily resident in Iceland, EEA, EFTA or OECD countries or the Faeroe Islands. If required, Healy Consultants Group PLC will be pleased to provide your firm with a professional nominee director and/or shareholder in Iceland. Our fee amounts to €6,600 per nominee per annum.

13. If our Client and Healy Consultants Group PLC properly plan this engagement, our Client will **not** have to travel during this engagement. Healy Consultants Group PLC will efficiently complete company registration and corporate bank account opening in a timely manner without our Client's presence. Instead, our Client will need to **i)** sign and get documents legalised in the embassy in their country of origin and **ii)** courier the originals to Healy Consultants Group PLC office.
- 
14. If our Client requires non-resident [nominee shareholder and director services](#), Healy Consultants Group PLC will be pleased to assist. Our fee for a professional, passive nominee non-resident corporate shareholder amounts to €2,100 per annum. Our fee to be both non-resident nominee director and shareholder amounts to €6,600 per annum. Being the sole shareholders and sole director of a Client's company exposes Healy Consultants Group PLC to reputation, litigation and financial risk.
15. If required, Healy Consultants Group PLC will be pleased to assist your firm to secure employee visa approvals. Our fee is €4,950 for the first employee, €2,950 for the second employee, and €1,950 per employee thereafter. Our employee visa fees include preparation of a quality visa application and submitting to the correct government immigration officers. The government enjoys ultimate power of approval over visa applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC's control. What is inside our control is the preparation and submission of a high quality immigration visa application that maximises the likelihood of visa approval.
16. Some of our Clients request Healy Consultants Group PLC to provide temporary shared [office space](#) for 6 months until their preferred business premises is found. If your firm requires this service, our one-time fee is €950. Monthly rental thereafter is paid directly to the landlord, independently of Healy Consultants Group PLC.
17. Government tax obligations include bi-monthly VAT payments and advance monthly corporation tax return filing. If you need our help, Healy Consultants Group PLC can complete monthly Government reporting for a monthly fee of €860. Healy Consultants Group PLC monthly support will include **i)** receiving in Dropbox the monthly invoices from our Client **ii)** labelling monthly bank statement transactions **iii)** preparing and submitting VAT returns and **iv)** submitting monthly employee payroll reporting.
18. It is important our Clients are aware of their personal and corporate tax obligations in their country of residence and domicile. Let us know if you need Healy Consultants Group PLC's help to clarify your local and international annual tax reporting obligations.
19. During the course of your engagement, multiple couriers will be sent to **i)** Governments and banks **ii)** lawyers and accountants and **iii)** to our Client. Average total engagement courier fees approximate €150 and it is fair and reasonable we ask our multi-national Clients for these third-party costs. As always, courier fee payments will be supported by original receipts and invoices. Following engagement completion, Healy Consultants Group PLC will refund our Client any excess funds received over actual courier costs paid during the engagement. Thank you for your understanding.
20. Depending on our Client's business and nationality, the Iceland government may require you to have a special regulatory licence to carry on your business in the country. Healy Consultants Group PLC will assist our Client secure licence approval. There may be additional engagement fees. However, the government enjoys ultimate power of approval of company registrations and business licences.

Consequently, our Client should budget for possible additional translation and embassy attestation fees. Either our Client or Healy Consultants Group PLC can complete this administrative task.

As always, Healy Consultants Group PLC will negotiate with all third parties to eliminate or reduce additional engagement costs. For transparency purposes, all third-party fee payments will be supported by original receipts and invoices. 22. Some of our Clients require an [immediate Iceland solution](#). With this strategy, within a day Healy Consultants Group PLC can supply our Client **i)** an existing dormant Iceland company number and **ii)** an already approved Iceland corporate bank account number and **iii)** a business address.
