### Notes to invoice above

1. Healy Consultants Group PLC fees to efficiently and effectively complete Kuwait GCC branch registration within [4 months](#) by **i)** choosing the optimum regulatory license for our Client's business activities; **ii)** reserving a branch name with [Ministry of Commerce and Industry](#); **iii)** settling our accountant and lawyer fees and **iv)** preparing a high quality branch incorporation application for [Ministry of Commerce and Industry](#);

All [engagement fees](#) (click link) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term;

Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

2. Before branch registration is complete, the Kuwaiti Government must review and approve a lease agreement for office premises. If your Firm requires this service from Healy Consultants Group PLC, our one-time fee amounts to US\$950. The monthly rent thereafter will be paid independently and directly to the landlord by our Client. An estimate of such a rental for a space of 10 sqm for one employee is US\$1,100 per month;
3. This fee is an estimate of government costs payable during your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** registering the branch with [MOCI](#); **ii)** paying the fee to stamp all branch documents and **iii)** receive inspection of the branch premises by the Municipality; **iv)** obtain the approval of the memorandum of association from the Department of Companies; **v)** register with Public Authority for Civil Information (PACI) **vi)** register for income tax with the Ministry of Finance of Kuwait. Following engagement completion, Healy Consultants Group PLC will refund our Client any excess of funds received over actual Government costs paid;

It is a time consuming task, and Healy Consultants Group PLC will shelter our Client from the associated administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed branch when shareholders, directors and bank signatories reside overseas. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of branch bank account approval. Depending on our Client's business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one-hour bank interview. Healy Consultants Group PLC

will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Kuwait for branch bank account opening, Healy Consultants Group PLC will refund our Client US\$950;

Furthermore, global banks now require evidence of proof of business in the country where the branch bank account will be, including sales contracts or lease agreement;
