New Zealand Financial Advisory Firm Invoice

Notes to invoice above

1. Healy Consultants Group PLC fees to efficiently complete New Zealand company registration within [1 week](#) by **i)** choosing the optimum license for our Client's business activities; **ii)** reserving a company name with the [New Zealand Companies Office](#); **iii)** settling our accountant and lawyer fees; **iv)** preparing a quality company incorporation application for the Companies Office and **v)** registering the company with the [Financial Services Provider Register](#);

All [engagement fees](#) (click link) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term;

Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

2. In accordance with [New Zealand Companies Act of 1996, Section 186](#), a New Zealand company shall as from the date of its incorporation have a legal registered office in New Zealand, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants' New Zealand office will be the registered office address for your company. Thereafter, this address will be used to receive government correspondence including **i)** tax letters; **ii)** notice of the legal annual return and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants Group PLC's office address](#) on invoices, contracts, websites and business cards;

An estimate of rental for a space of 10 sqm is US\$1,800 per month;

3. Healy Consultants Group PLC will be pleased to open a New Zealand corporate bank account without our Client travel. It is a time consuming task, and Healy Consultants Group PLC will shelter our Client from the associated administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed company when shareholders, directors and bank signatories reside overseas. Depending on our Client's business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one-hour bank interview. Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption. If our Client must travel to New Zealand for corporate bank account opening, Healy Consultants Group PLC will refund our Client US\$950;

If our Client is not comfortable with only a New Zealand corporate bank account, Healy Consultants Group PLC will be pleased to open [an international corporate bank account](#) (click link) outside of New Zealand. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, Standard bank, ANZ bank, VTB bank, UBS, Credit Suisse;

Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval. However, the banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC's control. What is inside our control is the preparation and submission of a high-quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up at least 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;
