Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

2. In accordance with [section 50 of Cayman Islands Companies Law 2013](#), an exempted company shall as from the date of its incorporation have a legal registered office in Cayman Islands, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants Group PLC will supply a Cayman Islands office to be the registered office address for your company. Thereafter, this address will be used to receive government correspondence and all government communications. Most of our Clients wish to place [Healy Consultants' office address](#) on invoices, contracts, websites and business cards;
3. This fee is an estimate of Government costs payable during your Firm's engagement. For transparency purposes, all Government fee payments will be supported by original receipts and invoices. Examples of government costs **i)** reserving the company name with the [General Registry](#); **ii)** certification of the company Memorandum & Articles of Association; and **iii)** registering the company with the Cayman Islands [General Registry](#). Following engagement completion, Healy Consultants Group PLC will refund our Client any excess of funds received over actual Government costs paid;

# Cayman Islands Excluded Person Financial Company Invoice

**Important note:** All company and excluded person registration renewal Government fees in the Cayman Islands are payable in the month of January, **even if the company has been registered less than 12 months ago**;

4. In accordance with the [Beneficial Ownership \(Companies\) \(Amendment\) Regulations 2018](#), all Cayman Islands companies are required to update and maintain the beneficial ownership information with the [company registry](#) annually unless the company has a written confirmation of exemption from this law provided by the Registrar;
5. Healy Consultants will be pleased to open a Cayman Islands [corporate bank account](#) without our Client travel. It is a time consuming task, and Healy Consultants will shelter our Client from the associated administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed company when shareholders, directors and bank signatories reside overseas. Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client's business and nationality, there is a 30% probability the banks will request a bank signatory to travel for a one-hour bank interview. Healy Consultants will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Cayman Islands for corporate bank account opening, Healy Consultants will refund our Client US\$950;

If our Client is not comfortable with only a Cayman Islands corporate bank account, Healy Consultants will be pleased to open [an international corporate bank account](#) (click link) outside of Cayman Islands. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, Standard bank, ANZ bank, VTB bank, UBS, Credit Suisse;

The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants' control. What is inside our control is the preparation and submission of a high-quality bank application that maximizes the likelihood of approval. Because of the nature of our Client's business (financial services), there is a 25% probability the bank in-house Legal and Compliance Department will reject the corporate bank account application. In the unfortunate event this occurs, Healy Consultants will immediately discuss alternative corporate bank account [solutions \(click link\)](#);

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period at least 6 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;

Furthermore, Healy Consultants expects the bank's risk department to request additional [due diligence](#) from our Client's business including **i)** evidence the business is legally exempt from CIMA licensing requirements **ii)** profile of our Client's customers and source of their funds and **iii)** AML/CFT program and profile of our Client's AML/CFT manager and **iv)** additional KYC information on our Client's business and place of residency;
