For international financial companies, Healy Consultants Group PLC Our Client and their Client open a quality correspondent bank account with established institutions in every continent. Our fees for providing a corresponding banking service amount to US\$7,950 payable in three instalments. Healy Consultants will be pleased to open a global correspondent account without travel. It is a time consuming task, Healy Consultants will shelter Our Client from the administrative challenges. Prior to beginning the engagement, Our Client settles a fee of US\$2,500. Thereafter Healy Consultants will **i)** lay down a step-by-step [project plan \(click link\)](#) and optimal correspondent account options amongst our international correspondent banking partners; **ii)** initiate a due diligence collection process, including

The banks enjoy ultimate power of approval of correspondent bank account applications. Consequently, guaranteed success is outside of Healy Consultants control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. Because **i)** Our Client's Client will be offering financial, deposit collection and account opening services from the Caribbean and **ii)** the main purpose of the account is to operate international payments in multiple currencies, Healy Consultants unfortunately expects the banks will classify your financial institution as a high-risk customer;

Consequently, you should expect **i)** multiple banks to decline boarding Our Client's Client bank as a customer and **ii)** additional, non-standard, requests for additional due diligence documents from the banks' compliance departments including **i)** account opening contracts **ii)** cashflow charts, **iii)** AML/CFT manual and **iv)** reference letters from lawyers and licensing authorities. Because of the nature of Our Client business, the majority of global banks' in-house Legal and Compliance Department will reject your correspondent bank account application. Notwithstanding the same, my team and I will never give up until we secure a quality solution;
