4. Healy Consultants will be pleased to open a Swiss foundation bank account without our Client travelling. It is a time consuming task, Healy Consultants will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed foundation, when donors, board members and bank signatories reside overseas. Healy Consultants will prepare a business plan for the bank to optimize the probability of foundation bank account approval. Depending on our Client business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one hour bank interview. Healy Consultants will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Switzerland for foundation bank account opening, Healy Consultants will refund our Client €950;

All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, Bank of China, ANZ bank, ABN Amro, UBS, Credit Suisse;

The banks enjoys ultimate power of approval of foundation bank account applications. Consequently, guaranteed success is outside of Healy Consultants' control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination;

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;
