2. In accordance with Section 1148 of the [Thailand Civil and Commercial Code](#), a limited partnership shall as from the date of its registration have a legal registered office in Thailand, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants' Thailand office will be the registered office address for your partnership. Thereafter, this address will be used to receive government correspondence including **i)** tax letters **ii)** notice of the legal annual return; and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants' office address](#) on invoices, contracts, websites and business cards;

4. Healy Consultants will be pleased to open a Thailand corporate bank account without our Client needing to travel. It is a time consuming task, and Healy Consultants will shelter our Client from the associated administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed partnership, when partners, managers and bank signatories reside overseas. Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Clients' business and nationality, there is a 40% probability the banks will request a bank signatory to travel for a one hour bank interview. Healy Consultants will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Thailand for corporate bank account opening, Healy Consultants will refund our Client US\$950;

If our Client is not comfortable with only a Thailand corporate bank account, Healy Consultants will be pleased to open [an international corporate bank account](#) (click link) outside of Thailand. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, Standard bank, ANZ bank, VTB bank, UBS, Credit Suisse;

The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants' control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;
