All [engagement fees](#) (click link) are agreed and paid up front and agree to the fees published on our country web pages. Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

2. In accordance with [Section 1148 of the Thailand Civil and Commercial Code](#), each Thailand company shall as from the date of its incorporation have a legal registered office in Thailand, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants' Thailand office will be the temporary registered office address for your company until that time when our Client locates its preferred office space. Thereafter, this address will be used to receive Government correspondence including **i)** annual and quarterly tax returns; **ii)** bank statements and **iii)** employee payroll tax and pension correspondence. Most of our Clients wish to place [Healy Consultants' office address](#) on invoices, contracts, websites and business cards;

Before our Client's Thailand LLC can legally hire employees and/or register for VAT, it is necessary for our Client to secure physical [office premises](#) and submit to the government photographs of the office. 3. This fee is an estimate of government costs payable during your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** company stamp/seal **ii)** capital registration fee **iii)** company M&AA registration fee **iv)** buying the certificate of incorporation from the [Department of Business Development](#) and **v)** affidavit fee. This estimate does not include Government fees for an application for a Foreign Business License. Following engagement completion, Healy Consultants will refund our Client any excess funds received over actual Government costs paid;
4. Healy Consultants Group PLC will be pleased to open a Bangkok multi-currency corporate bank account, without our Client travel. Timely securing Thai corporate bank account approval is a challenging task; Healy Consultants Group PLC will shelter our Client from the associated administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed company when shareholders, directors and bank signatories reside overseas.

At the beginning of the engagement, Healy Consultants Group PLC will secure corporate bank account approval using our professional, passive nominee shareholder, director and bank signatory. We will prepare a quality business plan for the bank; to optimize the probability of corporate bank account approval and minimize any delays. Following completion of Thailand business set up, our Client will appoint their preferred shareholders and directors and bank signatory;

Depending on our Client's business and nationality, there is a 75% probability the banks will request a bank signatory to travel to Thailand for a one hour bank interview. Healy Consultants will skillfully negotiate a travel exemption; but the final decision rest with the bank branch in-house Legal and Compliance Department. If our Client must travel to Thailand for corporate bank account opening, Healy Consultants will refund our Client US\$950. There is a 20% probability that the banks will request a Thai resident to be nominated as bank signatory together with our Client;

The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants' control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;

5. In accordance with [Thailand Civil and Commercial Code Act](#), each local Thai company must have a majority of Thai shareholders or apply for a foreign business license. To legally avoid the legal requirement to hold a FBL license, Healy Consultants Group PLC will be pleased to provide a 51% passive, professional [nominee shareholder](#) (click link). Our fee is US\$3,850 per nominee shareholder per annum;

The [Thailand Foreign Business Act](#) also recommends every Thai entity maintain a Thai resident director to liaise with the Thai Government. Unfortunately, many administrative operations with the Thai Government still require a Thai resident to visit and sign documentation in person. For example, when our Client sets up a telephone line or activates water and electricity for office premises. Therefore, for simplicity purposes, Healy Consultants Group PLC will provide a professional passive nominee director until that time our Client appoints its own local director;

If required, Healy Consultants can provide both, nominee resident director and shareholder. Our fee for the same amounts to US\$7,700 per annum. Being the sole shareholders and sole director of a Client's company exposes Healy Consultants Group PLC to reputation, litigation and financial risk;

6. Healy Consultants Group PLC recommends we apply for a residence visa for our Client's preferred shareholder and director. This person can then legally act as the local legal representative of the Thai LLC in front of the Thai Government and ensure our Clients' control over the Thai LLC and multi-currency corporate bank account;

For the bank signatory, Healy Consultants Group PLC will be pleased to assist your firm to secure employee visa approvals. Our fee is US\$2,950 for the first employee, US\$1,950 for the second employee, US\$950 per employee thereafter. Our employee visa fees includes preparation of a quality visa application and submitting to the Government immigration officers.

The Government enjoys ultimate power of approval of visa applications. Consequently, guaranteed success is outside of Healy Consultants' control. What is inside our control is the preparation and submission of a high quality immigration visa application that maximizes the likelihood of our Client's employee visa approval. In the unfortunate event the visa application is rejected, Healy Consultants will be happy to submit an appeal to secure visa approval. Healy Consultants fees for each appeal amounts to US\$950;

7. In accordance with Thailand regulations, each entity must register for corporate tax with the [Thailand Revenue Department](#). Our Clients will also be required to register for VAT if **i)** they intend to hire foreign employees and/or **ii)** their annual revenue exceeds US\$55,000. Healy Consultants Group PLC fees for VAT registration will be US\$950;

The VAT registration process takes around 4 weeks, depending on the efficiency of the [Revenue Department](#). Before VAT registration, it is necessary for the company to secure physical office premises and submit to the government photographs of the Bangkok office. Approximately two months following VAT registration, a Revenue Department employee will do a one-time inspection/verification visit of our Client's office premises;

8. Healy Consultants Group PLC project management fees relate to time and resources dedicated to:
- a. thoroughly research and plan Thailand business set up for our Client;
 - b. devising strategies to **i)** minimise the total engagement period **ii)** complete the engagement without our Client's representatives travelling **iii)** avoid the need for a Thailand [national shareholder](#) and **iv)** avoid the need for a specific regulatory license;
