Notes to invoice above

1. Healy Consultants Group's fees to efficiently and effectively complete UK company registration within 2 weeks by **i)** choosing the optimum M&AA and corporate structure for our Client's business activities; **ii)** settling our accountants' and lawyers' fees and **iii)** preparing a high quality company incorporation application for [Companies House](#);

All [engagement fees](#) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term;

Every week during the engagement, Healy Consultants Group will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

2. In accordance with section 86 of the [Companies Act 2006](#), a limited company shall as from the date of its incorporation have a legal registered office in England or Wales, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants Group's English office will be the registered office address for your company. Thereafter, this address will be used to receive government correspondence including **i)** tax letters **ii)** notice of the legal annual return; and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants Group's office address](#) on invoices, contracts, websites and business cards;
3. This fee is an estimate of government costs payable during your Firm's engagement. All government fee payments will be supported by original receipts and invoices. Examples of government costs include: **i)** filing the incorporation documents with the Registrar of Companies at [Companies House](#) and **ii)** the Companies House fee for filing the annual return in subsequent years. While Healy Consultants Group has made every effort to ensure the accuracy of these fees, any excess will be borne by our Client. Following engagement completion, Healy Consultants Group will refund our Client any excess of funds received over actual Government costs paid;
4. Healy Consultants Group to secure cryptocurrency corporate bank account numbers within an average of eight weeks, including **i)** preparation of a quality business plan detailing the activities of our Client's business and [a detailed project plan](#); **ii)** contacting multiple banks and payment services providers (PSPs) to secure their confirmation they welcome a formal application from our Client's business; **iii)** pre-fill the corporate bank account opening forms for our Client's signature; **iv)** submit a quality corporate bank account opening application along with the KYC documentation required by the bank; **v)** aggressively negotiate with the Bank to minimize additional KYC documentation requirements and **vi)** find solutions to [challenges that can occur](#) throughout the engagement;

Opening a corporate bank account for a cryptocurrency business is a time consuming task, but Healy Consultants Group will shelter our Client from the administrative challenges. As you can appreciate, it

is a difficult task to obtain bank account approval when shareholders, directors and bank signatories reside overseas. Healy Consultants Group will prepare a business plan for the bank to optimize the probability of corporate bank account approval without travel. Depending on **i)** our Client's nationality and **ii)** the bank's Compliance Department assessment of the risk profile of our Client's business, there is a 40% probability the bank will request bank signatories and directors to travel for a one-hour bank interview. Healy Consultants Group will try its best to negotiate with the bank for a travel exemption. If our Client must travel for the corporate bank account opening, Healy Consultants Group will refund our Client £950;

Global Banks and PSPs are also increasingly reluctant to board cryptocurrency businesses, so our Client should expect **i)** multiple banks and PSPs to decline to board our Client's business and **ii)** the internal compliance departments of all other banks to complete a [thorough, detailed due diligence review](#) of their business. Consequently, our Clients should expect the bank account approval period to take at least 4 weeks from submission of a quality complete corporate bank account opening application;

Furthermore, all banks and PSPs will categorize our Client's cryptocurrency business as a high risk customer. Consequently, our Client should expect the Compliance Department to revert multiple times for [additional KYC information](#) re our Client's business including **i)** proof of business; **ii)** proof for the source of funds / net worth; **iii)** customer invoices and contracts; **iv)** evidence the business holds regulatory license or is legally exempt from the same and **v)** AML/CFT program. The Bank or PSP will only confirm their ability to board our Client's business after our Client and Healy Consultants Group provide detailed, complete and high quality answers to these requests. Even if our Client supplies all KYC documentation, there is still a 30% probability the bank's Legal and Compliance Department will unexpectedly decline your corporate bank account application. In the unfortunate event this occurs, Healy Consultants Group will immediately discuss alternative corporate bank account [solutions \(click link\)](#);

If our Client's business **a)** includes multiple layers of corporate structure or **b)** in a [tax haven jurisdiction](#) (e.g. Cayman Islands or BVI), the same will be viewed negatively by the Banks and our Client should expect 90% of them to decline to board our Client's business. To optimize the probability of timely finding a corporate banking solution, Healy Consultants Group recommends our Client to **i)** keep their [corporate structure simple](#) and **ii)** register their business in a reputable, AML/CFT compliant [zero-corporate income tax jurisdiction](#) including **i)** Singapore **ii)** Hong Kong or **iii)** UAE or in a [low tax jurisdiction](#) including **i)** Cyprus **ii)** Malta **iii)** Estonia or **iv)** Ireland;

As much as possible, Healy Consultants Group will target the banks preferred by our Client. However, the banks enjoy ultimate power of approval for corporate bank account opening applications, so our Firm unfortunately cannot guarantee that the banks preferred by our Clients will also be those interested to board their business;

5. In accordance with UK Value Added Tax Law 1994, each entity expecting revenue in excess of £81,000 must register for VAT with Revenue and Customs Authority ([HMRC](#));
6. For an active trading company, these [accounting and tax](#) fees are an estimate of Healy Consultants Group's fees to efficiently and effectively discharge your annual company accounting and tax obligations. Following receipt of a set of draft accounting numbers from your company, Healy Consultants Group will more accurately advise accounting and tax fees. For a dormant company, Healy Consultants Group fees are only £950;
