All [engagement fees](#) (click link) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term;

Every week during the engagement, Healy Consultants will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

[Effective 1 January 2019](#), locally-incorporated Seychelles entities, foreign entities registered in the Seychelles and limited partnerships engaging in **i)** holding company activities **ii)** banking business **iii)** distribution and service centre business **iv)** finance and leasing **v)** fund management **vi)** headquarters business **vii)** insurance **viii)** intellectual property holding and **ix)** shipping are required to employ local staff and lease a physical office;

2. In accordance with the Seychelles [International Companies Act of 1994 section 12 \(click link\)](#), each Seychelles IBC must appoint a company secretary, who may be a natural person or a body corporate, but the company secretary must be resident in Seychelles. Healy Consultants will act as your Seychelles registered agent, for which our annual responsibilities include **i)** preparing and filing the legal annual return; **ii)** securely maintaining company records; **iii)** liaising with the Seychelles government on our Client's behalf; **iv)** legal filing of changes of company structure; and **v)** reminding our Client of statutory deadlines;

In accordance with the [International Companies Act of 1994 section 12](#), a Seychelles IBC shall as from the date of its incorporation have a legal registered office in the Seychelles, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants' Seychelles office will be the registered office address for your company. Thereafter, this address will be used to receive government correspondence including **i)** tax letters **ii)** notice of the legal annual return; and **iii)** all government communications. Opening a corporate bank account for a cryptocurrency business is a time consuming task, but Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval when shareholders, directors and bank signatories reside overseas. Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval without travel.

Depending on **i)** our Client's nationality and **ii)** the bank's Compliance Department assessment of the risk profile of our Client's business, there is a 40% probability the bank will request bank signatories and directors to travel for a one-hour bank interview. Healy Consultants will try its best to negotiate with the bank for a travel exemption. If our Client must travel for the corporate bank account opening, Healy Consultants will refund our Client US\$950;

Global Banks and PSPs are also increasingly reluctant to board cryptocurrency businesses, so our Client should expect **i)** multiple banks and PSPs to decline to board our Client's business and **ii)** the internal compliance departments of all other banks to complete a [thorough, detailed due diligence review](#) of their business. Consequently, our Clients should expect the bank account approval period to take at least 4 weeks from submission of a quality complete corporate bank account opening application;

Furthermore, all banks and PSPs will categorize our Client's cryptocurrency and token sale business as a high risk customer. Consequently, our Client should expect the Compliance Department to revert multiple times for [additional KYC information](#) re our Client's business including **i)** proof of business **ii)** proof for the source of funds / net worth **iii)** customer invoices and contracts and **iv)** evidence the business holds regulatory license or is legally exempt from the same and **v)** AML/CFT program. The Bank or PSP will only confirm their ability to board our Client's business after our Client and Healy Consultants Group PLC provide detailed, complete and high quality answers to these requests. Even if our Client supplies all KYC documentation, there is still a 30% probability the bank's Legal and Compliance Department will unexpectedly decline your corporate bank account application. In the unfortunate event this occurs, Healy Consultants will immediately discuss alternative corporate bank account [solutions \(click link\)](#);

If our Client's business **a)** includes multiple layers of corporate structure or **b)** in a [tax haven jurisdiction](#) (eg. Seychelles) the same will be viewed negatively by the Banks and our Client should expect 90% of them to decline to board our Client's business. To optimize the probability of timely finding a corporate banking solution, Healy Consultants Group PLC recommends our Client to **i)** keep their [corporate structure simple](#) and **ii)** register their business in a reputable, AML/CFT compliant [zero-corporate income tax jurisdiction](#) including **i)** Singapore **ii)** Hong Kong or **iii)** UAE or in a [low tax jurisdiction](#) including **i)** Cyprus **ii)** Malta **iii)** Estonia or **iv)** Ireland;

As much as possible, Healy Consultants Group PLC will target the banks preferred by our Client. However, the banks enjoy ultimate power of approval for corporate bank account opening applications, so our Firm unfortunately cannot guarantee that the banks preferred by our Client will also be those interested to board his business.
