Hi [REDACTED],

I hope you are well.

Proposed business activity change

1. As agreed, we have replaced the Aviation Consultant business activity with Management Consultant, Marketing Research & Consultancy and Commercial Information Systems;
2. These new business activities are more aligned to your DMCC company's actual business objectives;
3. As we no longer require to apply for a No Objection Certificate from the Dubai Civil Aviation Authority, this strategy will effectively:
 - i) shorten the total engagement timeframe by 4 weeks and
 - ii) save [REDACTED] approximately US\$3,9k in unnecessary engagement costs.

DMCC company registration

4. To continue advancing the DMCC pre-approval application, I need [REDACTED] and you to sign and email me scans of the attached **i)** HR signatory appointment letters and **ii)** business activity undertaking letter;
5. Within 2 weeks thereafter, I expect to receive pre-approval for your business from DMCC;
6. By mid-January, I will secure your DMCC company numbers.
7. By early February, my team and I will obtain bank account numbers and [REDACTED] UAE visa;

Other considerations

8. For a big picture view of your engagement, refer to the attached updated engagement summary and detailed engagement project [plan \(click link\)](#);
9. Next week I will be on leave on Wednesday 1st and Thursday 2nd December (UAE Public Holiday) and return to office on Sunday 5th December. I hope my absence is not a business inconvenience to you.
10. I attached 4 files to this email. If you have not received the same, let me know and I will re-send;

Conclusion

11. As always, feel free to call me if you would like to speak to me personally about the above. You can communicate with me by **i)** cell phone/ WhatsApp +971 54 790 7774 **ii)** Skype (ID [healyconsultants](#)) and **iii)** MS Teams or Zoom;
12. Despite the global economic and health crisis, Healy Consultants Group PLC and our staff will continue to serve multi-national Clients.

Thank you and Kind regards,
